MEMORANDUM FOR: Colonel White

THROUGH : Mr. H. Gates Lloyd

SUBJECT : Extension of Agency Consultants for Fiscal Year 1956

1. Attached is an Agency-wide report in the form of a compilation of justifications for the retention and utilization of the services of certain consultants for the forthcoming fiscal year.

2. As you will see, it is divided by major components and within each Deputy Director's area subdividing according to the consumer office. A report on covert consultants is attached as an Eyes Only series.

3. Once each fiscal year the Office of Personnel accumulates these justifications and forwards them to the Director of Central Intelligence for his approval. It is for this purpose that the attachment is now being submitted. Within the DD/S area there are presently 53 consultants, broken down as follows:

Commercial Staff

2

Office of Personnel

42 (all of these are consultants for implementation of the JOT program of the Office of Training)

Office of Security

1

Office of Training

8 (7 of these are consultants expressly hired to advise the Assessment and Evaluation Staff)

4. I do not believe that there is much to be gained in reading each of the justifications, and as far as I can see the attachment is technically correct and merits your signed concurrence. Letters advising each consultant that he is being either engaged or retained are being prepared for the signature of the Director of Personnel as requested last year by DCI. This, however, does not apply in the case of covert consultants.
